

Elizabeth Roboz Einstein Fellowship in Neurosciences and Human Development Spring 2008

The Elizabeth Roboz Einstein Fellowship was established in recognition of the distinguished work of Dr. Elizabeth Roboz Einstein, a leading pioneer in the field of neurochemistry. Two awards of approximately \$4,000 will be made. Applications are invited from doctoral candidates in the neurosciences relating to human development. Applicants are expected to have demonstrated distinguished scholarship, as well as the ability to conduct research at an advanced level.
