Please check the appropriate box (must be completed by the student):

1. My research project does not involve human subjects or vertebrate animals.

Note: If your research involves human subjects, you must take the online Collaborative IRB Training Initiative (CITI) course and print out the certificate of completion to submit with this application for candidacy. Your application will not be accepted without the CITI certificate.

2. My research project involves human subjects. I understand that I must (a) obtain individual approval for the Committee for Protection of Human Subjects prior to the initiation of the research, and (b) inform the Graduate Division of the approved protocol number within six months of the advancement to candidacy date.
- 2a. I have completed and passed either the Biomedical or Social-Behavioral Collaborative IRB Training Initiative (CITI) Program and a copy of my certificate of completion for the course is attached.
3. My research project involves vertebrate animals. I understand that I must (a) obtain individual approval from the Animal Use and Care Committee prior to the initiation of the research, and (b) inform the Graduate Division of the approved protocol number within six months of the advancement to candidacy date.

3. _____

4. _____

Instructions

To be eligible for advancement to candidacy, you must have:

- 1) satisfied the foreign language requirement, if applicable;
- 2) passed your Qualifying Examination;
- 3) no more than two courses graded incomplete;
- 4) a minimum 3.0 grade-point-average in all upper division and graduate work taken in graduate standing; and
- 5) fulfilled any other departmental requirements.

If you have satisfied the eligibility requirements listed above, complete this application and obtain signatures from the Head Graduate Adviser for your major and your Dissertation Committee Chair. File the advancement form no later than the end of the semester following the one in which you passed the Qualifying Examination. If you are in a program eligible for the Dean's Normative Time Fellowship (DNTEF), please be aware of the deadline for submitting the advancement form to be eligible for the DNTEF.

If you will be conducting research using human subjects, you are required to first take the online Collaborative IRB Training Initiative (CITI) course (<https://www.citiprogram.org/default.asp>) and submit a copy of the CITI Course Completion Record with this application. For more information, contact the Office for Protection of Human Subjects (<http://cphs.berkeley.edu>).

Submit this form and a check in the amount of \$65 made payable to the Regents of the University of California to Graduate Services: Degrees, 318 Sproul Hall #5900, UC Berkeley, Berkeley, CA 94720-5900. (Note: the candidacy fee will increase to \$90 for all students whose advancement to candidacy forms are filed in the Graduate Division on or after July 1, 2008.)
